Declaration of Conformity

The undersigned represents the following manufacturer:

H2O Shift ApS

Niras Green Tech Hub, Sortemosevej 21, DK-3450 Allerød, Denmark · CVR no. 31171997

Product identification

This declaration covers the following product series bearing the h2oshift.dk mark. All product series are based on H2O Shift's passive Power Pack technology.

PRODUCT SERIES	VARIANTS
Power2Air	Grease · Ducts · Cooling · Vent · Climate
Power2H2O	Wastewater · Antiscale

Declaration and scope

The undersigned declares on behalf of H2O Shift ApS that the above-mentioned products and associated systems, all of which use the Power Pack technology, are designed exclusively for external or non-contaminating installation.

The products are passive components with no connection to electrical power, no integrated magnets and no physical contact with food media (such as frying oil) or the drinking water supply. They therefore fall outside the scope of:

- the Low Voltage Directive, Directive 2014/35/EU on electrical equipment.
- the EMC Directive, Directive 2014/30/EU on electromagnetic compatibility.
- Regulations (EC) No 1935/2004 and No 2023/2006 on food contact materials (FCM).

Applicable regulations

The products have been developed and manufactured in accordance with the general safety requirements for products on the European market and comply with the provisions of Regulation (EU) 2023/988 of the European Parliament and of the Council on general product safety.

H2O Shift ApS guarantees that the mechanical and metallurgical construction of the products is resistant to the temperature and environmental conditions that occur with correct, external installation in professional kitchens and industrial environments.
